Tax File Number Notification

The collection of Tax File Numbers (TFN) is authorised by tax laws, the Superannuation Industry (Supervision) Act 1993 and the Privacy Act 1998. Trustees are required to ask you to provide your TFN to your superannuation fund. By completing this form and providing it to The Transport Industry Superannuation Fund (T.I.S.), you will allow the T.I.S. Trustee to use your TFN for:

- * taxing Eligible Termination Payments at concessional rates;
- * finding and amalgamating your superannuation benefits where insufficient other information is available (including the Australian Taxation Office (ATO) Supermatch program which enables the Fund to track down lost or unredeemed superannuation monies on your behalf);
- * passing your TFN to the ATO where you receive a benefit or have unclaimed superannuation money after reaching the aged pension age;
- * allowing T.I.S. to provide your TFN to another superannuation provider receiving benefits you may transfer;
- * T.I.S. won't pass your TFN to any other superannuation provider if you tell us in writing that you don't want us to pass it on; and
- * allowing T.I.S. to quote your TFN to the ATO when reporting details of contributions for the purposes of the Superannuation Contributions Tax (Surcharge).

You are not required to provide your TFN. Declining to quote your TFN is not an offence. However, if you do not give T.I.S. your TFN either now or later:

- * you may pay more tax on your superannuation benefits than is necessary (you may be eligible to claim this back at the end of the financial year in your income tax assessment);
- * it may be more difficult to find your superannuation benefits if you change address without notifying T.I.S. or to amalgamate any multiple superannuation accounts you may have; and
- * you may have more surcharge tax applied to your superannuation account than is necessary

The lawful purposes for which your TFN can be used and the consequences of not quoting your TFN are subject to legislative change.

Please advise separately in writing at any time if you wish to restrict the use of TFN by not allowing it to be passed to another superannuation entity or retirement savings account.
